Pitaya Necklace

Description

Inspired by Martina Nagele's Pitaya beaded bead, I built a fine jewelry necklace to show off the intricate hollow beads. The beads will be shaped by increases and decreases, and then put together in a necklace that features a pendant reminiscent of a Faberge' Egg, and a unique double toggle closure. Stitches used: Peyote, Herringbone, Ladder

Level

Intermediate

Length

One day

Kit Fee

\$55-65
