Delightful Dangles Bracelet

Description

I have fond memories of wearing a sweet charm bracelet in my youth. So I decided to do a modern take on it for the adult me!

We'll create our own woven bracelet, and three different types of charms. A chaton charm sparkles both front and back. A three dimensional triangle is a cute little bobble to play with. And puffy circles add a little more flash to the mix.

Stitches used: Peyote, triangle weave, netting, herringbone
